

USTA Texas Section JTT Mission/Goals:

Our Mission: Junior Team Tennis is dedicated to promoting skill development, teamwork, sportsmanship, personal growth, and health in young athletes, while expanding the league to provide more tennis players with inclusive, structured, and competitive opportunities.

Our Goals: Attract and retain youth participants in our Junior Team Tennis program. We strive to promote team cohesion and camaraderie, helping to build long-lasting friendships among teammates. Our focus is on creating an environment where young players feel supported and motivated to continue in the sport.

The winner will be determined by Total Games Won as a team. All JTT matches are played on Sunday afternoon. Each week, teams will rotate playing home/away matches. The home team provides new tennis balls each week and is responsible for contacting opponents to confirm matches. Recommend max of 8 players and min of 4 players per team to give each kid an opportunity to play every week. Please contact us if you are unsure what division to register your kids in. Captains, contact us for a team number.

Highly encourage kids to form their own team with friends, ask teammates on their school tennis team or if they do not have any tennis friends, they can be placed on a team and make new friends. Each team must have a team captain, which is Safeplay Certified. If you are interested in being a captain, please reach out to us. As a non-profit organization we rely on our parents’ volunteer time to support us by leading our kids’ team. We cannot thank you all enough for allowing us to work with your kids and investing your time in this wonderful sport for them!
